

Sawtelle / West Los Angeles 3-Bedroom Apartment Report with Maps

Compiled by Hermes Agent

Sawtelle / West Los Angeles 3-bedroom apartment report Search timestamp: Monday, May 25, 2026 10:21-11:15 PM PDT Scope: Sawtelle / Sawtelle Japantown / West Los Angeles around 90025, with a separate section for immediately adjacent portal-returned 90064 options. Rental availability changes quickly; verify price, availability, fees, parking, utilities, pets, and lease terms directly with the listing/manager before applying.

Important limitations - I could access live/public data from Zumper, Apartment List, ApartmentHomeLiving, Rent.com, HotPads through text rendering, VeryApt, Birdeye, AreaVibes, Wikipedia, LAPD, OpenStreetMap/Nominatim. - Zillow/Trulia/HotPads browser, Apartments.com, ApartmentFinder, ForRent, RentCafe, Realtor, Redfin, Niche, Yelp, and ApartmentRatings were partly or fully bot-blocked in this run. Search-result snippets still exposed some pages, but I did not invent details from blocked pages. - HotPads reported 106 3-bedroom apartments near Sawtelle; the accessible text pages exposed about 50 property/listing rows. Some are multi-unit communities, and some low-price rows are co-living/room-for-rent rather than whole 3-bedroom apartments. - Portal neighborhood boundaries are loose. Some sites treat nearby West LA, Brentwood, Rancho Park, Santa Monica, and Palms as "Sawtelle." I separated confirmed 90025/core options from adjacent/outside options.

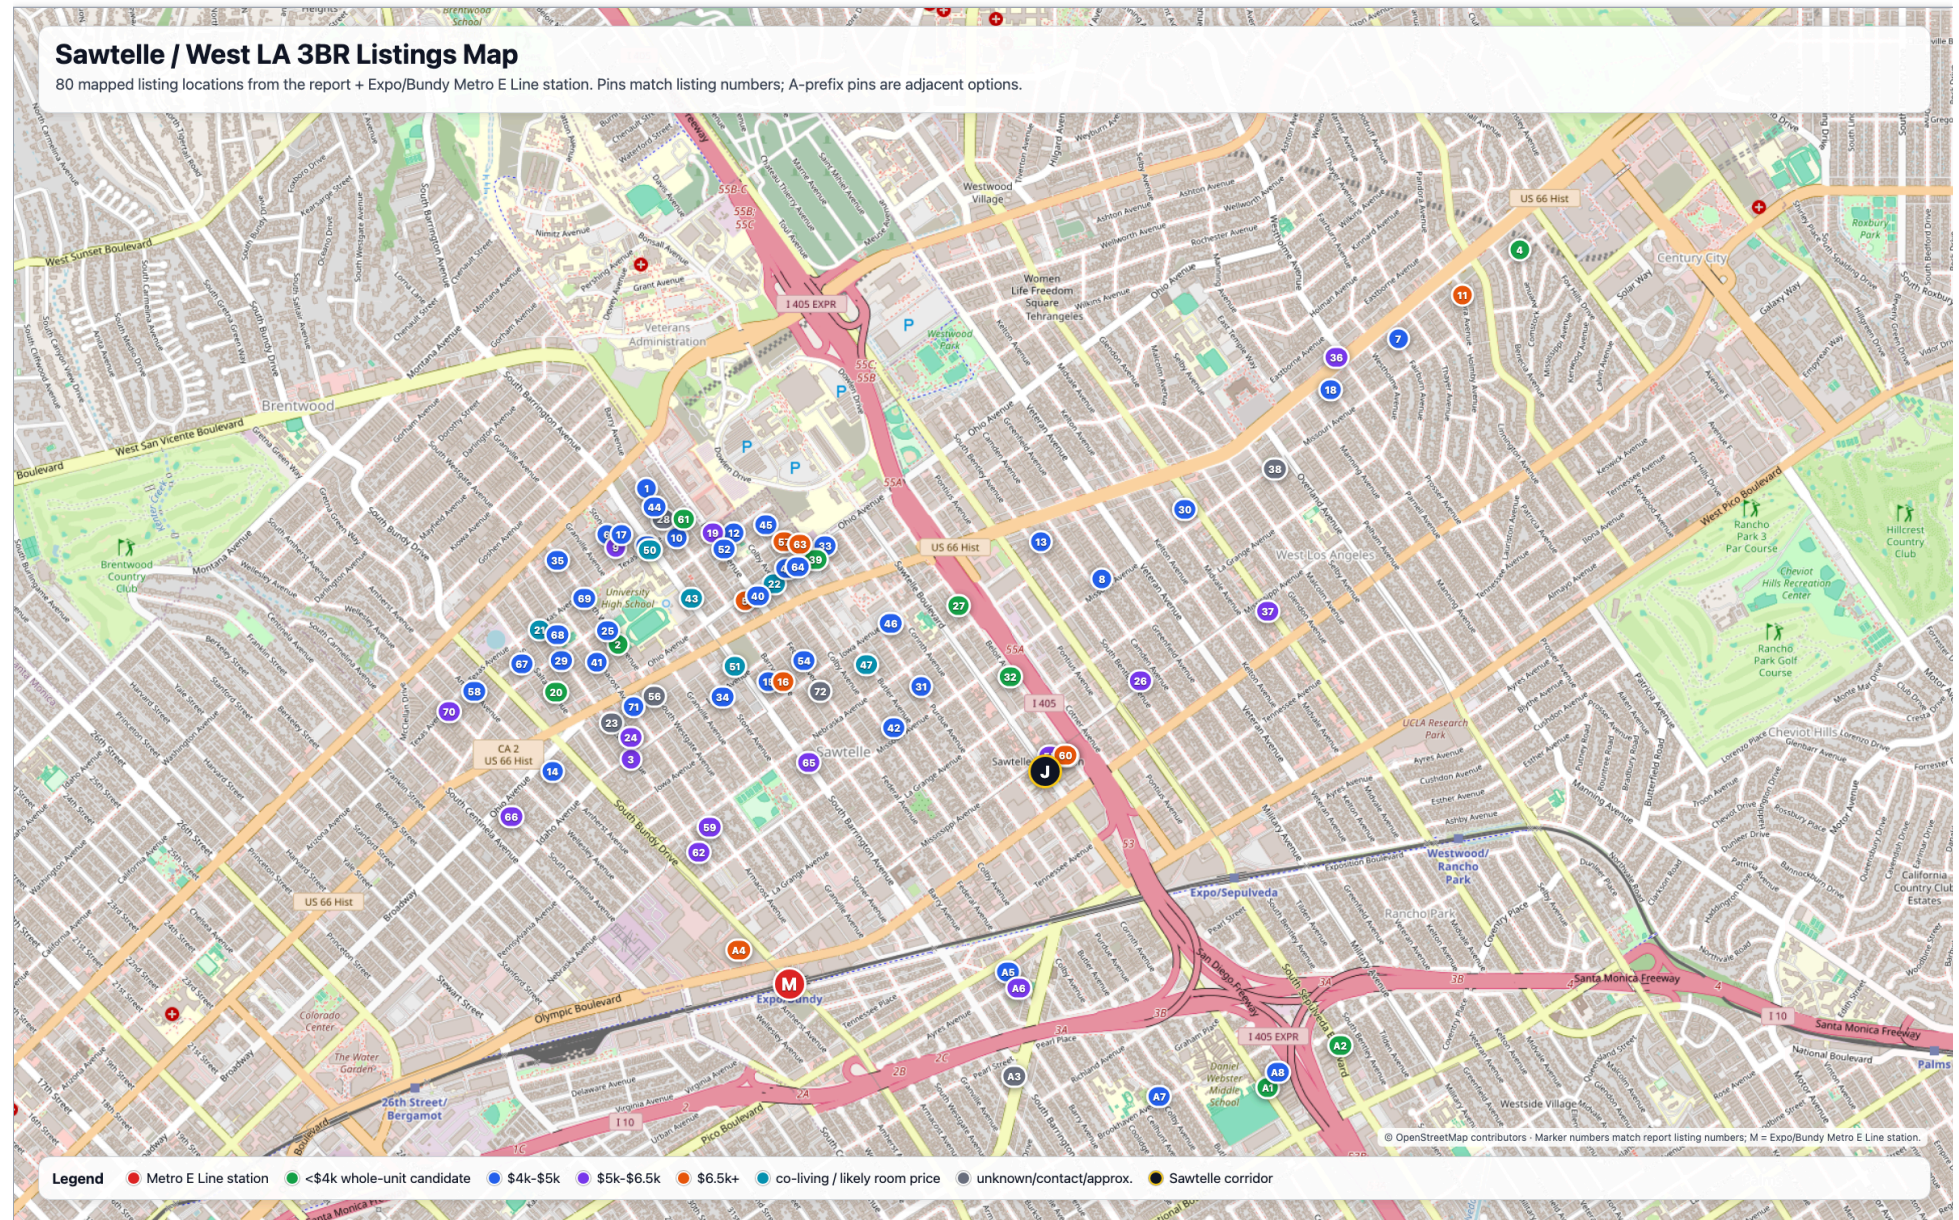

Executive summary - Confirmed 90025/core Sawtelle-West LA 3BR asking rents found: roughly \$3,300 to \$12,950/month for whole-unit listings; many typical 3BRs cluster around \$4,100-\$5,500. - Zumper's 90025 3BR page showed 21 rentals, average rent \$4,500, updated May 25, 2026. - HotPads' Sawtelle 3BR page showed average rent \$4,664 and 106 3-bedroom apartments near Sawtelle, but many are duplicated multi-unit/community listings or nearby/room listings. - Apartment List's Los Angeles market FAQ on the retrieved listing pages showed average LA 3BR rent \$5,464; this is citywide, not Sawtelle-specific. - Best initial short-list candidates by apparent value/price, subject to verification: Westgate Place (\$3,300), 10323 Missouri #1 (\$3,750), 1771 Beloit (\$3,795), 1444 S Saltair (\$3,995), Stoner1247 (\$4,095), 1842 Purdue (\$4,100-\$4,995 depending portal/unit), 1819 Parnell #5 (\$4,195), 1850 Camden (\$4,250), Maison De Glen (\$4,300), 11516 Ohio #101 (\$4,495), 1621 Barry #203 (\$4,700), and Brockton Manor / 1301 Brockton (\$4,750-\$5,200 depending unit/source). - Higher-end/luxury candidates: The Adler (\$5,178-\$6,078), RBM Westwood (\$6,000+), 1621 Barry PH3 (\$6,500), 11610 Ohio #1 (\$6,700), 1825 Pandora #404 (\$12,950).

Map overview: where the listings are

These map pages are added for geographic orientation. Pin numbers match the numbered listing entries in the report below. A-prefix pins are adjacent/non-core options. The red M marker is Expo/Bundy Metro E Line station. The black/yellow J marker is the Sawtelle Japantown / Sawtelle Blvd restaurant corridor. Colors indicate approximate listed price tier; teal/very-low markers usually mean co-living or likely per-room pricing, not a whole 3BR apartment.

Area report: Sawtelle / Sawtelle Japantown

Neighborhood character - Sawtelle is a West Los Angeles / Westside neighborhood. It is associated with Japanese American history and Sawtelle Japantown, a dense restaurant/retail corridor around Sawtelle Blvd. - Wikipedia notes the area is known for a Japanese American community, busy restaurants, and arthouse/movie culture, and that Sawtelle Japantown was designated in 2015. - Greater Sawtelle boundaries are messy: sources include parts of 90025, 90064, 90049, and the VA/federal 90073 area. Rental portals often over-include nearby neighborhoods. Sources: - https://en.wikipedia.org/wiki/Sawtelle,_Los_Angeles - https://en.wikipedia.org/wiki/Sawtelle_Japantown

Transit and access - OpenStreetMap/Nominatim geocoded Sawtelle center at approx. 34.039893, -118.450799. - Metro E Line Expo/Bundy station is about 0.6 miles straight-line from the geocoded Sawtelle center and serves the southern edge of the area. Wikipedia notes the E Line provides access toward Downtown LA, Santa Monica, and points between. - Bus service includes Los Angeles Metro Bus, Santa Monica Big Blue Bus, and Culver CityBus per Wikipedia. - Key roads/freeways nearby: Santa Monica Blvd, Olympic Blvd, Wilshire Blvd, Sepulveda Blvd, Bundy Dr, I-405. The 405 is convenient but traffic/noise near ramps and arterials is a real quality-of-life factor. - Straight-line distances from Sawtelle center: Santa Monica Pier 3.4 mi, UCLA 2.2 mi, Downtown LA 11.4 mi, Expo/Bundy 0.6 mi. Actual driving/transit times depend heavily on traffic. Sources: - OpenStreetMap/Nominatim via maps skill - https://en.wikipedia.org/wiki/Sawtelle,_Los_Angeles

Always confirm attendance boundaries by address with LAUSD before leasing. - LAPD West Los Angeles Community Police Station serves Sawtelle among many Westside communities. Treat these as third-party estimates, not official current crime statistics. - Practical renter caveats from reviews and area layout: package theft, garage/car break-ins, management responsiveness, parking fees/availability, traffic/noise on Santa Monica/Olympic/Wilshire/Barrington/Sepulveda, and water/maintenance issues in older buildings. Source: <https://www.areavibes.com/los+angeles-ca/sawtelle/>

Touring / due-diligence checklist 1. Confirm whether the quoted price is for the entire 3BR apartment or a co-living/private-room share. 2. Ask for a full monthly cost sheet: base rent, parking, utilities, trash, internet, pet rent/deposit, amenity fees, renters insurance, application/admin fees, and move-in charges. 3. Ask if the building/unit is under LA Rent Stabilization Ordinance (RSO) or AB 1482 rent cap; building age matters. 4. Ask about parking quantity, assigned vs tandem, EV charging, guest parking, and street permit restrictions. 5. Ask for recent utility averages, especially if HVAC/electric heat is tenant-paid. 6. Inspect noise: visit during evening rush hour and late evening if near Santa Monica Blvd, Olympic, Wilshire, Sepulveda, Barrington, or the 405. 7. Inspect security: package lockers, garage gate, camera coverage, controlled access, mailroom, and bike storage. 8. Read latest reviews for the exact building and management company, not just the apartment portal stars. 9. Verify school attendance by exact address if relevant. 10. Before sending money, verify landlord/property manager identity from the official property website or leasing office phone, not only a marketplace message.
